

Event Presentation ... made clear

We can offer a variety of services to help take your event to a more 'polished' level. From complete event management & production, including staging, scripting & presentation, to production of a one-off video to be shown at the event.

Ian has hosted several awards presentations and corporate functions, including Sunderland Beacon Project National Education Seminar, Newcastle Schools Sports Partnerships Awards, Variety Club Tributes to Sir Bobby Robson & Alan Shearer, North East Sports Awards ...

This endorsement is from The Variety Club of Great Britain:

May I, on behalf of the Committee of Northern Region, thank you for your support at our 'Magic Moments of Northern Racing Awards'.

The three aims of the event were

- a) to make people more aware of the Variety Club and its activities,
- b) fundraising and
- c) to hope that everybody had a very enjoyable evening.

From the feedback received I can confirm that our aims were achieved and that from a fundraising point of view we managed to successfully raise £62,500 net.

Thank you for your Presentation Services and Video Production.

Please accept our very best wishes and thanks. It is only with your help and support that we can assist the disadvantaged, disabled and underprivileged children in our region.

Kind regards

Peter Johnson
